

TRADE WASTE

If you operate a business special rules apply to your refuse arrangements:

- ◆ You must only dispose of your waste to a registered waste carrier or licensed waste disposer.
- ◆ You must obtain, and keep for two years, duty of care transfer notes for disposal of your waste.
- ◆ Your duty of care documents must be made available for inspection by authorised officers.
- ◆ It is illegal for you to dispose of your waste as household waste.

Suffolk Coastal Services offer a range of trade waste and recycling services including:

- ◆ **RED TRADE SACKS**
- ◆ **WHEELED BINS**
- ◆ **CLINICAL WASTE COLLECTION**

Suffolk Coastal Services also offer a **complete facilities management service to cover all of your needs effectively.**

RECYCLING SERVICES

for business

Suffolk Coastal Services is keen to encourage as much recycling as possible, especially from businesses.

- ◆ We offer a personalised collection service to recycle compostable waste, green waste, shredded paper and cardboard.
- ◆ We also run a limited fortnightly paper collection service for those businesses creating a lot of paper waste.
- ◆ In 2008, we will be introducing a new glass collection service for businesses.
