We provide high quality, reliable and responsive building cleaning services. We also value our staff and invest in their training and development. Our commitment to them has been recognised by the award of Investor in People certification. We are familiar with providing local government services and our public sector customers include District Councils and the Suffolk Fire and Rescue Service.

Our building cleaning service operates under our BS EN ISO 14001 environmental management system. We are environmentally aware and use cleaning products that are effective whilst also being kind to the environment.

Our comprehensive range of cleaning services includes regular cleaning; stripping, sanding and resealing of hard floors; carpet shampooing and dry cleaning; disinfecting and sanitising; in-situ curtain and fabric wall covering cleaning and dust removal; elimination of infections and infestations.

We are part of **Norse** one of the UK's leading facilities management and services companies. Thus we benefit from the procurement savings and recruitment expertise of an organisation that employs nearly 6000 people and has a turnover of over £100m.

Our staff

Our staff are working towards British Institute of Cleaning Science certification.
